

Sundridge Park Manor

Hotel, Conferences and Events

Not just your usual conference centre...

If you need some inspiration for an original, one off event, look no further than Sundridge Park Manor.

Not just a perfect venue for weddings and conferences, we can transform this versatile venue into a themed night you will not forget.

Think outside the box and anything is possible. Having recently transformed the Manor into an eccentric Mad House for a corporate charity party, we can help you theme any event your imagination desires. From the eclectic to the just plain weird!

www.sundridgeparkmanor.com

We can help you source everything you need from dressing and decoration, theming, actors, production, lighting, vehicles, helicopter to bands and comedians: anything you have not thought about and more to make your night come alive.

Past themes have included:

- Casino Royale
- The Mad House
- Jamaican Summer BBQ

This beautiful Grade I listed building has the capacity to cater for events from a small group to a maximum of 180 people.

Our on-site chefs can tailor a menu to complement the theme of your evening.

Please contact us and come and see how versatile Sundridge Park Manor can be.
